## The Journey Is Just Beginning 2011-2012 Nanepashemet Theme

Nanepashemet has entered a new year, which means new officers, new ideas and new programs. The past years for our Lodge has been extremely successful but there is always more room to grow and improve. That train of thought is what compelled Lodge Chief Kevin Doherty to pick the theme 'The Journey is Just Beginning.' "We are in the middle of a great revolution, a renaissance of sorts," the Chief said about the theme. "We should create our own legacy and even though we are the greatest Lodge ever, *The Journey is Just Beginning.*"

## Lighting the Path to the Arrow Arrow of Light Weekend Sept. 16th-18th at WTCSR

The Arrow of Light Weekend, abbreviated AOL, is a key event in the Nanepashemet Lodge year. It is a weekend lead entirely by the youth of our lodge where 400 Webelos II invade Wah-Tut-Ca Scout Reservation for a weekend of fun and excitement. It is very important for them to see the older boys and experience what the future will hold for them.

AOL will introduce Webelos to the Order of the Arrow and The Culture of Camping. It is our goal to motivate them in to become Boy Scouts. Someday many will join our Order and even more will come to Wah-Tut-Ca in the the coming summers. To give the Webelos the greatest experience possible it takes a large staff of enthusiastic arrowmen like you! If you are interested in expanding the

adventure and being staff for this event contact Tim Clark at 978-569-0138 or by email at [Clarktimothy95@gmail.com](mailto:Clarktimothy95@gmail.com). The event is on September 16th-18th at Wah-Tut-Ca Scout Reservation and the cost is \$5 for that includes a t-shirt. Webelos arrival time is 6:30 so make sure to be there before to help set up.

## OA/Troop Rep Program Rennovated

The position of Order of the Arrow Troop Representative is for a scout to serve as the communication link between his Troop and Nanepashemet Lodge by reporting news from events and meetings and getting his other brothers involved. This means getting involved himself, which is something that most Troop Reps. have not done in the past. The new Troop Rep. Chairman in the Lodge, Alan Barlow, is calling for the Troop Reps. to be involved, seeing as they are an important link between the Lodge and Troop and can be a very effective means of communication.

If you are a Troop Rep, or interested in being one, go to the council website and enter your email address and sign up to receive the

publication called OA Troop Rep, which will send you a special edition Codzilla Chronicles to help you do this job. If you have any other questions or concerns email Alan Barlow at [cowboyalan@comcast.net](mailto:cowboyalan@comcast.net).

## ROADTRIP! Nanepashemet 158 Prepares for the 2012 NOAC In Michigan

It is better to be the men in the white coats than the one they are looking for.

The National Order of the Arrow Conference (NOAC) is the biggest event in Order of the Arrow history. It is a rare opportunity that occurs every 3 or 4 years and has always been an event of great change and development for our Lodge. The 2012 NOAC experience is coming July 30, 2012- August 4, 2012, and is the place to be next year. The event takes place at Michigan University and since that's a couple miles away that means... Roadtrip!! The price for this once in a lifetime Scouting experience is set at a range of \$800-\$900 with the deposit of a \$100 due at the AOL weekend. We'll see you there!!!
